

**60" Duel Side Open Foot Blast Cab**

60" Wide Duel Side Open  
Foot Operated Blast  
Cabinet with Dust Vac.  
Overall Dimensions: 60"

**AB6035 - 60" duel side open foot blast cab \$1,653.00**

**Sand Blast Kit**

Sand Blast Kit. Includes  
hose, & trigger gun. 3 extra  
nozzles and pick up tube.  
Trigger Operated 14 CFM.  
Ship Wt 5 lbs.

**AB7003 - sand blast kit \$19.95**

**Bottle Blaster With Foot Control**

Bottle Blaster With Foot  
Control. Foot operated:

**BB100 - bottle blaster with foot control \$89.00**

**90CFM Dual Filtration Collection**

90 CFM Dual Filtration  
Dust Collection System.  
Height: 53" Diameter: 16  
1/2" Hose: 6' - 2 1/4" Hose  
ends Electrical: 110 Volts  
Construction: Polyethylene  
plastic construction Filter:  
Weighted cloth bag Paper cartridge filter  
Weight: 22 lbs.

**DC1500 - 90cfm dual filtration collection \$196.00**

**Dual Filtration Collection**

400 or 800 CFM Dual Filtration  
Dust Collection System.  
Electrical: 1/3 " HP 110  
Volts, 60 hz RPM: 3450  
Blower: 9" Direct drive  
Opening: 16" x 26 1/2"  
Dimensions: 19"

**DC4000 - 400cfm dual filtration collection \$891.00**  
**DC8000 - 800cfm dual filtration collection \$1,950.00**

**48" Full Top&Side, 40lb. Capacity**

48" Wide Full Top & Side  
Open, 40lb. Capacity Direct  
Press Cabinet with Dust  
Vac. DP48 Cabinet  
Features: Overall  
Dimensions: 58"

**DP48 - 48" full top&side, 40lb. capacity \$1,850.00**

**73" Duel Side Open Foot Blast Cab**

73" Wide Duel Side Open  
Foot Operated Blast  
Cabinet with no Dust Vac.  
Overall Dimensions: 67"

**DW7335 - 73" duel side open foot blast cab \$2,295.00**

**Small Benchtop Blast Cabinet**

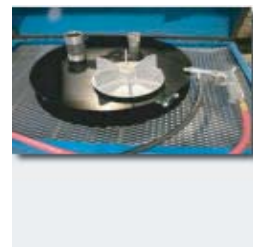

Small Benchtop Blast  
Cabinet with no Dust Vac.  
Top Opening 20" x 16"  
Polyethylene plastic  
construction Working Dim:  
22 1/2"

**E100 - smalltop blast cabinet \$155.00**

**Economy Turn Table 150 lb. Maximum**

Economy Turn Table 150  
lb. Maximum. 20" diameter  
12 gauge steel construction  
150 lb Max weight capacity  
Made in the USA Shipping  
Weight: 30 lbs.

**ET150 - economy turn table 150 lb. maximum \$175.00**

**38" Full Top Open Trigger Blast Cab**

38" Wide Full Top Open  
Trigger Operated Blast  
Cabinet with Dust Vac. Full  
Top & Side Opening

**GOT  
QUESTIONS???**

**CALL US TOLL FREE !!!!!**

**60" Full Top & Side Foot Blast Cab**

60" Wide Full Top & Side  
Open Foot Operated Blast  
Cabinet with Dust Vac.  
Overall Dimensions: 58"

**FT6035 - 60" full top & side foot blast cab** \$1,758.00

**Mini Pass Thru Blast Cab Trigger**

Mini Pass Thru Blast  
Cabinet with Dust Vac  
Trigger Operated. Overall  
Dimensions: 56"

**MPT28 - mini pass thru blast cab trigger** \$715.00

**Economy Media Separator**

Economy Media Separator.  
Must be used with a dust  
collection system. 24" w x  
52.25" H Overall  
Dimensions Includes: 6 ft 2  
1/4" Vac Hose Ship W750  
lbs..

**MS1500 - economy media separator** \$239.00

**Small Pencil Blast Cabinet**

Small Pencil Blast Cabinet  
.060 or .125 Tip. Overall  
Dimensions: 18"

**PBH1000 - small pencil blast cabinet .060 tip** \$145.00  
**PBH1000LTC - small pencil blast cabinet** \$179.00  
.125 tip

**Large Pencil Blast Cabinet .060 Tip**

Large Pencil Blast Cabinet  
.060 Tip. Overall  
Dimensions: 21"

**PBH2000 - large pencil blast cabinet .060 tip** \$175.00

**Benchtop Blast Cabinet & Trigger Gun**

Benchtop Blast Cabinet  
with Trigger Gun & BB100  
Pencil Operated System.  
Overall Dimensions: 21"

**PBH2000combo - benchtop blast cabinet & trigger gun** \$245.00

**100lb. Cap ASME Pressure Blast System**

100lb. Capacity ASME  
Code Pressure Blast  
System

**PT100 - 100lb. cap asme pressure blast sys** \$535.00

**100lb. Cap ASME Foot Pressure System**

100lb. Capacity ASME  
Code Foot Operated  
Pressure System

**PT100SK - 100lb. cap asme foot pressure sys** \$625.00

**250lb. Cap ASME Pressure Blast System**

250lb. Capacity ASME  
Code Pressure Blast  
System

**PT250 - 250lb. cap asme pressure blast sys** \$965.00

**Pass Thru Blast Cabinet W/Dust Vac**

Pass Thru Blast Cabinet  
With Dust Vac

**SL3730 - pass thru blast cabinet w/dust vac** \$1,440.00

**Tumble Blast Cabinet No Dust Vac**

Tumble Blast Cabinet with  
no Dust Vac. Overall  
Dimensions: 58"

**T15 - tumble blast cabinet no dust vac** \$1,570.00

**100lb. Cap Trigger Siphon Blast Pot**

100 lb. Cap Trigger Siphon Blast Pot. Sand Capacity: 100 lb. Tank Diameter: 12" Overall Height: 24' 3/4" Hose: 10' 3/8" Construction: Polyethylene plastic construction Gun Assembly: 1/4" Ceramic Weight: 15 lbs.

**AB1200 - 100lb. cap trigger siphon blast pot \$69.00**

**Side Opening Blast Cabinet**

Side Opening Blast Cabinet. Overall Dimensions: 60"

**AB3300E - side opening blast cabinet \$499.00**

**39" Full Top & Side Foot Blast Cab**

39" Wide Full Top & Side Open Foot Operated Blast Cabinet with Dust Vac. Full Top & Side Opening 39" w x 40" d x 25" h working dimensions Foot Operated 14 CFM. 110 V Dust Collector Included. Ship Wt 345 lbs.

**AB4040 - 39" full top&side foot blast cab \$1,655.00**

**42" Top & Side Trigger Blast Cabinet**

42" Wide Full Top & Side Open Trigger Operated Blast Cabinet with Dust Vac. Full Top & Side Opening 42" w x 24" d x 23" h working dimensions Trigger Operated 14 CFM. 110 V Dust Collector Included. Ship Wt 245 lbs.

**AB4224 - 42" top&side trigger blast cabinet \$1,044.00**

**48" Full Top & Side Foot Blast Cab**

48" Wide Full Top & Side Open Foot Operated Blast Cabinet with Dust Vac. Full Top & Side Opening 48" w x 26" d x 25" h working dimensions Foot Operated 14 CFM. 110 V Dust Collector Included. Ship Wt 275.

**AB4826 - 48" full top&side foot blast cab \$1,233.00**

**Glass Beads (Medium)**

Glass Beads

**AB5002 - 60-100 grit glass beads (medium) \$36.50**  
**AB5005 - 25-45 grit glass beads (x coarse) \$32.75**

**240 Grit Glass White Aluminum Oxide**

240 Grit White Aluminum Oxide is ideal for processes such as microdermabrasion or other high performance needs. It is the abrasive media to use when you need to keep contamination from other metal oxides to a minimum. When you order a quantity of one you will receive one 50lb Box.

**AB5006 - 240 grit glass white aluminum oxide \$78.00**

**80 Grit Brown Aluminum Oxide**

80 Grit Brown Aluminum Oxide is harder than most dry abrasive blast media enabling it to cut even the hardest metals. It can be re-used many times. When you order a quantity of one you will receive one 50lb Box.

**AB5007 - 80 grit brown aluminum oxide \$45.50**

**55 Grit Blasting Garnet**

55 Grit Blasting Garnet has no heavy metals, no hazardous materials, little dust while blasting, and is cost effective. When used correctly, using garnet can take half the time to complete your blasting project with 1/3 as much garnet as you would use slag. When you order a quantity of one you will receive one 50 lb Box.

**AB5008 - 55 grit blasting garnet \$22.00**

**40-60 Grit Glass Beads (Coarse)**

40-60 Grit Glass Beads

**Glass Bead/Alum. Oxide**

Glass Beads/Aluminum Oxide mix

is an abrasive blast media for when fine workpiece tolerances are not required.

It is for cleaning, deburring, finishing, and peening applications. When you order a quantity of one you will receive one 50lb Pail.

- AB5013 - 50-80 grit glass bead/alum. oxide \$65.00
- AB5014 - 80-100 grit glass bead/alum. oxide \$57.50

**Walnut Shells**

Although it is considered to be soft media

Walnut Shells are the most versatile of the organic media due to the angular, durable shape. Should be used for sensitive blasting operations that require aggressive stripping without affect on the substrate. When you order a quantity of one you will receive one 50 lb Box.

- AB5015 - 20-30 grit walnut shells \$52.00
- AB5016 - 8-12 grit walnut shells \$52.00
- AB5017 - 12-20 grit walnut shells \$52.00

**Black Silicon Carbide**

Black Silicon

carbide is the hardest blasting media. It can be re-used many times over what sand or aluminum oxide can be. Use this for a beautiful polish with shorter blast times. When you order a quantity of one you will receive one 50lb Box.

- AB5018 - 120 grit black silicon carbide \$69.75
- AB5019 - 220 grit black silicon carbide \$75.00
- AB5020 - 240 grit black silicon carbide \$89.50

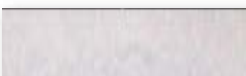

**Brown Aluminum Oxide**

Brown Aluminum

Oxide is harder than most dry abrasive blast media enabling it to cut even the hardest metals. It can be re-used many times. When you order a quantity of one you will receive one 50lb Box.

- AB5021 - 60 grit brown aluminum oxide \$45.50
- AB5022 - 120 grit brown aluminum oxide \$45.50
- AB5023 - 180 grit brown aluminum oxide \$47.00
- AB5024 - 220 grit brown aluminum oxide \$47.00
- AB5025 - 280 grit brown aluminum oxide \$85.50
- AB5026 - 320 grit brown aluminum oxide \$85.50
- AB5027 - 400 grit brown aluminum oxide \$115.50

**150 Grit Glass White Aluminum Oxide**

150 Grit White Aluminum

Oxide is ideal for processes such as microdermabrasion or other high performance needs. It is the abrasive media to use when you need to keep contamination from other metal oxides to a minimum. When you order a quantity of one you will receive one 50lb Box.

- AB5028 - 150 grit glass white aluminum oxide \$78.00

**Black Silicon Carbide**

Black Silicon

carbide is the hardest blasting media. It can be re-used many times over what sand or aluminum oxide can be. Use this for a beautiful polish with shorter blast times. When you order a quantity of one you

- AB5029 - 24 grit black silicon carbide \$83.50
- AB5030 - 54 grit black silicon carbide \$83.50
- AB5031 - 80 grit black silicon carbide \$83.50
- AB5032 - 100 grit black silicon carbide \$83.50
- AB5033 - 180 grit black silicon carbide \$83.50

**Brown Aluminum Oxide**

Brown Aluminum

Oxide is harder than most dry abrasive blast media enabling it to cut even the hardest metals. It can be re-used many times. When you order a quantity of one you will receive one 50lb Box.

- AB5034 - 12 grit brown aluminum oxide \$45.50
- AB5035 - 24 grit brown aluminum oxide \$45.50
- AB5036 - 36 grit brown aluminum oxide \$45.50
- AB5037 - 46 grit brown aluminum oxide \$45.50
- AB5038 - 100 grit brown aluminum oxide \$45.50
